

ELECTION CAMPAIGNING ON CAMPUS

RATIONALE

Questions can be expected on how to manage people on campus who are either campaigning for election or are campaigning for a candidate of their choice.

While the Canada

Campaign requests by registered candidates and / or their representatives should be directed to, and need to be reviewed by the college's Executive Director of Communications and Marketing.

Advance notice will be provided by Communications and Marketing Department to the Camosun College Student Society, as well as the college's facilities and security departments and other internal stakeholders as appropriate.

The College retains the right to decline requests at their sole discretion

or her representative from campaigning in or on that part when it is open without charge to members of the public.

Marginal note: Exception

(2) Subsection (1) does not apply in respect of a place if campaigning in or on it would be incompatible with the function and purpose of the place or inconsistent with public safety.
